

RECOMMENDED RESTAURANTS 2016

The following are restaurants recommended by Guests of Halcyon Leisure in Comments Forms received during 2016, along with comments.

Hotel/Restaurant Les Voyageurs, 47370 Tournon d'Agenais

Delicious well balanced dishes mainly from local produce with a good selection of very local wines.

L'Ostal Bistrot, Le Village, 82190 Lacour de Visa . *Good little restaurant in Lacour de Visa*

Auberge de Lauzinie, Lauzinie-Haute, 82190 Lacour de Visa. *We went to Auberge de Lauzinie twice .*

Huge servings, amazing Gambas and very friendly proprietors

Le Moulin de Dausse 47140 Dausse *Amazing gastro food – we only selected the main course: The rest was a succession of starters and amuse bouches with imaginative combinations and very interesting presentation: Very reasonably priced for the quality.*

Chateau de l'Hoste, 82150 Saint-Beauzeil, off the D656. *We have been visiting Chateau de l'Hoste for 21 years, we have nothing but good things to say about it, we ate there twice during our stay and were not disappointed*

La Table des Cornieres, 14 rue des Cornières, 47000 Agen

Aux Délices du Puits, Rue de la Citadelle, 47300 Pujols. *There is a good pizzeria in Pujols which also serves Benoit de la Lune icecream, which is to die for. Also served at the **Bombecul** in Penne d'Agenais.*

Le Bombecul, 10 Place Paul Froment, 47140 Penne d'Agenais

La Peyragude, 7 Place Gambetta, 47140 Penne d'Agenais. *We would particularly recommend La Peyragude restaurant in Penne d'Agenais. Good food, well presented and pleasant staff*

Auberge du Brelan, 47370 Anthé

Le Gindreau, Le Bourg, 46150 Saint-Médard

We didn't have a bad experience anywhere, revisiting places we had been to before and new restaurants for us, such as Auberge Du Brelan in Tournan D'Agenais. However, without doubt our favourite is Le Gindreau, St –Medard. Possibly one of the best restaurants we have ever been to anywhere.

Café de France, 5 Place de la République, 46800 Montcuq

Hotel du Quercy, Route de Cahors, 82110 Lauzerte

The Hotel du Quercy in Lauzerte is terrific. 4 course menu du jour for E14 from Tuesday to Friday, wine en carafe, then more ambitious menus at the weekend. The owner's English wife, Sophie Bacou, is a delight

L'Auberge de Miramont, 82190 Miramont-de-Quercy

We can recommend Auberge de Miramont for traditional French country cuisine
